## Here's how it works

### Get a library card

You will need a library card to place hold requests and check out materials. Go to any Carver County library branch to sign up. It's quick, easy, and **free!**

You may also apply for a card online at [www.carverlib.org](http://www.carverlib.org).

### What can I get with my library card?

- Books, movies, TV shows, documentaries, magazines.
- Mobile wi-fi hotspots
- Access to eBooks and e-Audiobooks through the Libby app.
- Discounted or free tickets to concerts, museums, and events around the Twin Cities through smARTpass.
- Access to online databases for personal or professional research.
- So much more!

### Place your hold requests

Go online, download the mobile app, or come visit your local branch to access the catalog. When you find an item you'd like, place a hold request and choose the Cologne Express Library as the pickup location.

### Wait for notification

You will receive an email when your holds are ready to be picked up. You have 72 hours from the time they are delivered to pick up your items. Material is delivered to the express library on Tuesday and Friday mornings.

### Pick up your materials

To pick up your materials, look for the keypad in the middle of the lockers. Enter the last four digits of your library card number, and press the ENT# key.

These items have already been checked out to your library card and the due date receipt will be included.

### Return your items

Most materials are loaned for three weeks. DVDs and mobile hot spots are loaned for two weeks.

Items may automatically renew. Late fees are charged for overdue material. Check out our website for specifics on renewals and fines.

You can return material to the book drop located in the Community Center parking lot, or to any other Carver County Library location.
