

Dear Cologne Residents and neighboring communities:

The best 4 days of summer are upon us and soon we will be holding our 23rd Annual Cologne Glad Days event. Our event will be centered around City Square Park and the Cologne Lions Park. Just a few reminders to help residents and visitors during the event.

Roads surrounding the park will be closed from noon on Thursday July 25th to 7pm on Sunday July 28th. This includes (Playhouse St W, John Ave N & Market St W) There will be NO PARKING on any of these roads and NO PARKING in the lot connected to the park. This is necessary for the safety of our guests and for our entertainment to safely get in and out of our venue. Our only exception will be residents that live on these roads so they can still access their homes.

The splash pad will be open during our event except during our foam party. The foam can cause issues with the splash pad water system so it will be locked and turned off from approximately 1 to 3pm on Saturday July 27th.

Thank you for your support and cooperation.

Cologne Glad Days Committee.
