

# Cologne Updates

The City of Cologne has been busy! Below are some updates and things happening around your City.

## NEW BASKETBALL COURT @ Village Park

The City of Cologne would like to give recognition and thank the Chad & Arlin Miller family for bringing into fruition a 60 x 80ft basketball court at Village Park. The Miller's generously donated the cement and labor to build the court along with their time to plan and coordinate the project. The new Village Basketball Court is finished and ready for residents to enjoy.  
Thank you Millers!

## NEW Lacrosse Nets

Residents will also find NEW Lacrosse nets at Village Park. Thank you to brother's Jackson and Maddex Nielsen for writing a speech and presenting to City Council about their interest in Lacrosse. We ask that everyone help the City take care of these nets so many can enjoy them for years to come. They have the ability to fold, we ask that if you use these nets you fold them and lay them down near the basketball court so they do not blow around in inclement weather.

The Miller's and Nielsen's used their resources and made improvements to our community for all to enjoy. It takes a village sharing knowledge, talents and resources. Do you have specific talents, knowledge or resources to share? Please contact the City at [info@colognemn.com](mailto:info@colognemn.com). Together we make Our City a great place to live, work and play.

## SUMMER OPEN GYM SUCCESS

Open gym was offered Monday-Friday 9:00am-4:00pm this summer. It was wonderful to see the Cologne Community Center filled with young people staying active with friends playing basketball, volleyball, pickleball, wiffleball and football. We will continue these weekday hours through the winter months. Early release from school or days off are perfect for students to get together with a group of friends. This is also a great opportunity to escape the weather and walk safely around the gym or meet friends for a playdate. Just \$1 per person.

## WINTER OPEN GYM

Winter Open gym runs Sunday, Nov. 3rd to Sunday, March 30th.  
Sundays: 3:00-7:00pm  
Wednesdays: 7:00-9:00pm  
For \$1 per person this is a great way to keep the family active. New this season will be themed dates. Volleyball, pickleball, basketball & wiffleball will be on rotation. Check out the City's Digital Bulletin Board for calendars

## NEW Equipment @ Community Center

Because of our summer success we invested in NEW volleyballs, a pickleball set, wiffleball set, a football and fixed our volleyball nets. These will all be available for check out during open gym hours.
