of chickens to be kept: (Maximum 6 hens)

Roosters are prohibited & may not be licensed.

Describe location & method of food storage:

Describe waste disposal plan:

Location of Coop

(A scaled drawing showing the location, size and dimensions of the coop and run including the distance of the coop and run from other structures on the licensed premises and neighboring property lines must be provided)

No person shall keep a chicken within the corporate limits of the City except as allowed by City Ordinance 176. This prohibition does not apply to those portions of the City zoned for agricultural purposes. HOA residents also need to follow HOA rules.

The City may revoke a chicken license if any requirement set forth in this Chapter is violated or if the Minnesota Department of Revenue sends the City notice requiring revocation. Nothing herein shall be interpreted as preventing the City from also prosecuting any violation of the ordinance as a criminal violation.

By signing below Applicant acknowledges they are the fee title owner of the property and understands the licensed premises may be inspected by the City at any time to ensure compliance and accept the conditions and requirements set forth in City Ordinance.
